### **HFMA gives special recognition award as G&G celebrate 60 years.**

Media Release for immediate use: July 2025

The Health Food Manufacturers' Association (HFMA) is not alone in celebrating a 60<sup>th</sup> anniversary this year. We were delighted to learn that G & G Food Supplies were also celebrating this great milestone.

They have been long term members of the HFMA including holding a place on the Council. As a company, their commitment to the industry has been far reaching and supportive. The HFMA wishes to recognise this achievement and support by presenting G & G with special recognition award.

HFMA President, Penny Viner, was delighted to be able to join everyone at G & G in Kent to celebrate and to present the award on behalf of the HFMA.

Penny commented. "Like the HFMA, G&G turned 60 this year, and like the HFMA look to be well set for the next 60! HFMA Council member and G & G CEO Myles McEntyre was kind enough to invite me to their 60th birthday party deep in the Kent countryside, to present the HFMA's award to Mauro Calcioli, Chairman of G & G, in recognition of all that they have achieved over the past 60 years, and their plans for the future. It was a lovely day in a beautiful venue, with company, food, drink and music to match!"

The award is presented in recognition of outstanding leadership in supplement manufacturing and continual innovation within the health industry and for their unwavering commitment to a long-standing ethos of clean, honest supplements.

Martin Last, HFMA Director General commented, 'I would like to add my congratulations to G&G on reaching such an important milestone and receiving this special award. On behalf of the HFMA I would like to thank them for not only their service and dedication as a member but also for their continued support to the industry as a whole.'
